The year 2025 ended with a note of gratitude as Camwork and the Bassay family look back, aiming to learn from the past and anticipating a wonderful year ahead, 2026. They are forever grateful for your partnership in the Gospel. Happy New Year 2026 to you all !

Gratitude

HAVE INTO *enough.*

Greetings and blessings from Cameroon! The quote above expresses how the work in Cameroon is perceived from the receiving end. Thank you. The picture below witnesses the joy in the Kingdom and the Bassay family as they ended the year 2025.

ACTIVITIES

THE CAMEROON MULTIPURPOSE DREAMT CENTER

On the 12th of November 2025, the Dream Team was able to purchase a piece of land next to the existing plot (part B on the map below), making it 2.4He of land (6 Acres). With this achievement, the constructions can begin. The plan is to start either with a clinic or an orphanage. It is their prayer that funds will be raised both in Cameroon and abroad. Louis and Linda are committing to talk with anyone interested in serving in this kind of project. For more information click the link [here](#).

RADIO PROGRAM

This ministry has been going on since Covid and has served its purpose. It gained two families and started a small group called *Mont Sinaï*. This program will take a break in 2026 as Camwork seeks better ways to connect while the team keeps following up with those the radio brought closer.

The next broadcasting move is to start posting gospel contents online since this has proven to provide a quantifiable audience. To this effect, a planning meeting was held on the 9th of November 2025.

The Radio Crew

YEP - VBS : The Youth Engagement Program - Vacation Bible School. The first planning meeting took place at the Bassay Residence in Bomono on the 22nd of November with an attendance of 11 facilitators from 7 congregations. 2026 will mark the 13th edition of Yep and the 8th edition of YEP-VBS with more than 2500 kids impacted since 2010. Special gratitude to the Cloverdale family and all the donors in Cameroon and in the diaspora. Camwork is also thankful to the Christian Service Committee in Searcy for the 19 passenger bus they provided through a grant. It has eased the transportation of kids and will be used for many ministry needs. The report of this past edition has been published and the [link](#) has been posted on page 1 of this report.

THE KERUSSO EXPERIENCE

The Kerusso Boys are consistently on their journey toward becoming better in preaching, song leading and interpreting. They are also bonding and becoming a great accountability group. They were in Tiko (one of the oldest congregations in Cameroon) on the 14th of December. Just as expected, they did great. Camwork will soon come up with a YouTube channel where their activities will be posted.

THE ANNUAL LECTURESHIP

Louis and Linda are always privileged to serve in major events in Cameroon. During the annual gospel lectureship that took place in Bangem (Dec 18-21, 2025), Louis was involved in key panel discussions, interpretation and presented the sermon on Sunday. Linda taught the sisters class.

THE LIBRARY AND PLAYROOM

God provided a new worker after the two previous workers went back to school for further training. Juliana joined the Camwork team and is now taking care of the Library and the Playroom.

AFTER THE JULY-SEPTEMBER FURLOUGH

Louis and Linda focused on their 2026 operational plan whose implementation has already began.

Renea, Gabby and Alan returned successfully to school and their results were excellent at the end of first term that ended on December the 19th.

Louis and Linda also took some time off to harvest their cassava crop and processed it to different foodstuffs.

Community Water Project

Louis was appointed the chairman of the water development committee in their neighborhood.

ABOUT THE BASSAYS

Louis and Linda took a one week vacation during their 22rd wedding anniversary last December. Christmas break was well spent with family and friends. The Bassays ask for continuous prayers for Lori-Angela (Harding University) and Renea (University of Buea) as they are away from home. Gabby got baptized on the 31st of December, along with two other kids leaving with them. That was a wonderful way to end the year. To God be all the glory!

CHALLENGES

There have been many requests for counseling from young people planning to get married or already married. This added responsibility comes with the need for some training in marriage and family therapy. Camwork is still in need of additional funds to operate the Kerusso program. There have been frequent car breakdowns lately, which impacts both the Camwork and Bassay budgets.

UPCOMING EVENTS (JANUARY - MARCH)

- Moungo Zonal Lectureship / Soul Saving Ministry in Bomono - 22-25 January
- Jim Corner Annual Leadership Seminar : February 9-13 French and 16-20 English
- Camwork Marriage workshop: March 13-16, Instructors Fielden and Janet Allison, Paragould, AR.

Thanks to all who made the work of the Lord better in Cameroon in 2025. One more thing: "let brotherly love continue!"
