# NOUVELLES DU CAMEROUN

EDITION N° 23 // JAN - JUNE 2026

One of the greatest assurances to the church is found in Matthew 16:18. In this passage Jesus assured us that nothing will overcome the church, not even the gate of hell. The Bassay family and Camwork are grateful for the Lord's daily provision and for your partnership in the Gospel. It's been a while since you officially heard from us and we are very sorry.

Greetings and blessings! This report will highlight the following: The Moungo Zonal evangelism in Bomono, the National Seminar led by Jim Corner, teaching with the Bear Valley Bible Institute, the Marriage workshop with the Allisons, the National Youth Forum, Louis and Linda's trip to the USA, the Soul Saving Mission in Limbe, the added souls in the Kingdom, the medical outreach and a few words about the Bassay family.

## ACTIVITIES

### JANUARY : THE MOUNGO ZONAL EVANGELISM

The Moungo Zonal Lectureship took place 22-25 January among the 10 congregations in Louis' region. This is one of Camwork's core working area. The Soul Saving Ministry was a part of this mission. Many homes were reached and 3 souls were added to the family. Pictures below. This avenue also gives Louis and Linda an opportunity to provide some level of discipleship and mentoring.

## FEBRUARY : JIM CORNER'S SEMINAR

The Annual Leadership Seminar led by Jim Corner took place from February 9-13 for French and 16-20 for the English speaking population. Jim is from Buckingham Church of Christ in Texas and his goal since 1996 is to mature the church by focusing on preachers and church leaders.

Louis always helps with interpretation while Linda does the same with the female team. This year again Linda worked alongside Louise Clement from Lubbock teaching the ladies.

Louise and Norman are a blessing to Louis and Linda, to Camwork and its missions and to the many Cameroonians benefiting from the relief fund they provide.

## MARCH : MARRIAGE WORKSHOP

The country of Cameroon was blessed again to have Fielden and Janet Allison, Paragould, AR (They also live in Tanzania and work with many African countries). The workshop, March 13-16, brought together 9 selected couples for a program full of lessons and fun time by the Atlantic ocean in Limbe.

Certificates were awarded at the end. These couples understood the need to expand this program for the promotion of healthy Christian homes.

## MARCH : BEAR VALLEY BIBLE INSTITUTE

Every March, Louis and Linda teach a one week course at the Bear Valley Cameroon. Louis teaches the men while Linda teaches the future preachers' wives for a lifetime coworking in ministry with their husbands.

The course this year was on the book of Romans / Four field discipleship. They are both blessed to take part in the spiritual formation of these brothers and sisters who left everything to serve the Kingdom.

## APRIL : YOUTH FORUM

The edition this year took place in Bomaka Buea with 199 participants from 29 congregations.

Louis has served as one of the coordinators of this event for more than 25 years before handing over for others.

He is proud of what the new generation is doing and happy to serve as a resource person, only teaching once in a while.

## MAY : LOUIS AND LINDA IN THE USA

Linda was in the USA from March 22 to June 13 primarily to be with her younger sister, Bernice, who lives in Houston. She had her second baby boy during that period and was battling with some health challenges. Louis joined her from May 1 to June 8 to follow up with some difficulties Lori-Angela was facing. They also visited with a few people and churches their family missed during their 2025 furlough trip.

They were blessed to see Paul and Renee Wharton in Maryland, worship with the Laurel Church of Christ, MD and the Agenta Church of Christ in Tx.

Their time in Searcy was wonderful as usual. Louis, Linda and Lori-Angela worshipped with Cloverdale and met with several families for a meal. They also visited Truth for Today and the Judsonia medical equipment warehouse (in line with the Dreamt Center project). During that same period, Louis attended the Harding preachers' conference.

This was another successful trip. The only difficult part has always been leaving Lori-Angela behind.

## JUNE : SOUL SAVING MINISTRY

As soon as Louis returned from the USA, he led a team of 14 evangelists to Limbe Mile One from the 18th to the 21 of June. They recorded 55 Bible studies resulting in 1 restoration and 4 baptisms.

The next mission is scheduled for Ebonji Tombel from the 8th to the 11th of October.

## BAPTISMS

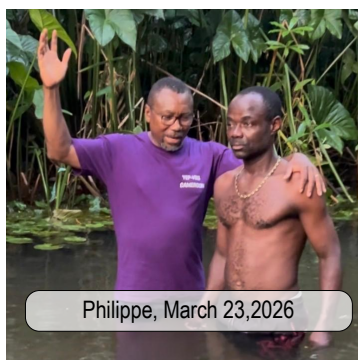

In addition to the baptisms recorded during the Moungo Zonal lectureship and the Soul Saving Mission January and June respectively, the Lord added to our number 5 more souls in Bomono, 5 in Bonaberi and 8 in other related Camwork missions. Pray they will be well nurtured and understand the goal is to make disciples who make other disciples.

## MEDICAL OUTREACH AND THE REUSABLE SANITARY PADS

There were two medical outreach programs in January and in March. In January, Dr Ekambi addressed stress, its causes, repercussions and how to deal with it. In March he talked on community health and how our actions affect our health. During both campaigns, free tests on high blood pressure and sugar level were conducted.

The reusable sanitary pads production has been halted at the moment due to new government policies on non-governmental organizations, our biggest business partners.

## ADDITIONAL INFORMATION

The team keeps expanding. In January, Josiah Neufamoneuy joined the Camwork team as a driver handling travelling and missions. He is also a trained evangelist. This comes as a great relief for Louis who usually did all the driving.

Louis is taking classes with Harding School of Theology since January, working on his Master of Arts in Christian Ministry. Special thanks to the Global Christian Studies and the McCown family.
